

ELEVATION

Scale: None

Notes:

1. Closure plates to be used on all exterior stringers at supports where stringers are not continuous.
2. If stringers are of different depths, at a support, control dimensions shall apply to shallower stringer.
3. Weld to stringer on fixed shoes, if possible, but only weld to one stringer.
4. Do not provide closure plates on the median side of dual bridges where facias are 50' or less apart.
